

Manatee PAL Lacrosse Program...coming this April 2021.

Is your child ready for something different? A sport that's lightning fast, high-energy, and fun for both boys and girls?

With limited equipment requirements (no helmets or pads), the Manatee PAL Lacrosse program is the perfect way to teach kids ages 5-14 the fundamentals of this sport while developing their hand-eye coordination, agility, and overall athletic skills.

If your child is interested, please contact the PAL office 941-747-1118 x209 for more information.
